Re: Sash v. Plummer, et al.,
07 Civ. 5536 (SHS) (JCF)

Dear Judge Francis:

This Office represents the Probation Office of the Southern District of New York and United States Probation Officers Diane Plummer and Christopher Stanton in connection with the above-captioned matter brought by pro se plaintiff Eliot Sash. By order dated June 26, 2008, Your Honor ordered the defendants to respond to the complaint by July 31, 2008. Defendants intend to move to dismiss the complaint, and I write respectfully to request a thirty-day extension of time in which to file the motion. This request is necessitated primarily by the press of the Office's business, including my filing this week of two briefs in other cases in this Court and the Second Circuit court of appeals. **11**

I have spoken with Mr. Sash, and he consents to this request. I previously requested an extension of time to submit a brief to Judge Stein earlier in this case, but this is my first request for an extension of time to respond to the complaint.

I thank the Court for its consideration of this request.

Respectfully submitted,

MICHAEL J. GARCIA
United States Attorney for the
Southern District of New York
